

INDEPENDENCE DAY CELEBRATIONS

“Saare Jahan Sey Achaa Hindusthan Humara,
Hum Bulbule Hai Iske,Yeh gulsita humara,humara.”

With this patriotic feeling in our hearts, 17 tablers & circlers of CPRT34 & CPLC 46 left around 7.30 in the morning for Barasat to celebrate our 63rd Independence Day with the children of RamKrishnapur Free Primary School (New), a school built jointly by us 3 years back.

We were joined by CSRT 106, CSLC 83 & CCRT 38.

Our first stop was at Sewli Balika Vidyalaya, where LC 46 & LC 83 jointly inaugurated a Toilet Block under project SAREE. Kudos to both the circles for providing much needed sanitation facilities to the 1600 odd girl students studying at the above school.

CPLC 46

CSRT 106,CSLC83 & CCRT38

From there we left for Barasat but thanks to my excellent road sense for that place, would have landed in Siliguri instead. Thanks to the big sign board, I realized we were moving in the wrong direction. Finally after couple of U-Turns we reached our destination at around 10.30am.

We were warmly greeted by the head-mistress Smt Sandhya Kar who welcomed us all. It was a great feeling of satisfaction to see the school in excellent condition with over 350 children studying there, most of who were present for the Independence Day Celebration.

We had ordered 350 school bags printed with ROUND TABLE INDIA & LADIES CIRCLE INDIA especially for this occasion which we distributed amongst the children along with water bottles, exercise books, pencil box, pencils, rubber, crayons etc. Our friends at CSRT 106 & LC 83 distributed biscuits, cakes sweets.

The joy and happiness on the faces of these children touched our hearts and brought smiles and a sense of satisfaction to each one of us.

Thereafter we hoisted our National Flag and sang the National Anthem.

I would like to sincerely thank CPLC 46, CSRT 106, CSLC 83 & CCRT 38 for joining us for the flag hoisting & Independence Day project and making it a truly memorable one.

JAI HIND.
