## ADDRESS BY THE OUTGOING CHAIRMAN

*Chairman Tr. Sundeep welcomed all the esteemed guests and fellow tablers.*

**T**he year has passed by in a blur and it only seems like a moment since I stood at an AGM accepting the Office of Chairman. What lies behind us and what lies before us are tiny matters compared to what lies within us. Nevertheless, I cannot help but retrospect.

**A**s Chairman, it has been my honour to represent CPRT34 at the Area level and beyond. I have been privileged to meet many wonderful people. The experience has helped me to grow as a person. The understanding how different individuals in a Table gel together has been enriching. I am truly blessed to be in a Table like 34 and I thank my proposer Sq. Leg Vinay Pachisia from the bottom of my heart for introducing me to this movement and a wonderful circle of friends. We at CPRT 34 worked together towards our common goal of Service through Fellowship.

**O**n the first day God made the sun; so the Devil countered and created sunburn. On the second day God created sex, and in response the Devil created marriage. On the third day, God made ME, and the Devil was stumped. After much consideration, he created SAM. Appointing Sam as my Secretary was the luckiest stroke in my Tabling career. Thanks Sam for being perfect.

**I** was indeed lucky to have a very hardworking team of convenors who arranged spectacular events with ease. They did this with an efficiency that is second to none. I thank all of you for your fresh ideas & implementation. I am truly thankful to my entire fellow Tablers - the veterans, the young and the old for their tremendous encouragement, valuable guidance, warmth and friendship.

*Tr. Sundeep Mohta thanked his parents, wife Aparna, Cr, Rashmi and her band of merry women. He thanked Tr. Himanshu, Cr. Mona and Tr. Jiten for their wonderful support and guidance throughout the year.*

**F**riends, If I made you laugh, you're welcome. If I made you cry, I'm sorry. If I changed your life, chances are you've done the same. I offer my apologies to anyone whom I may have hurt unintentionally during the past year. I am being befittingly replaced. I keep the fond memories and enriching experiences in my heart as I hand over and look forward to a fantastic year ahead. As National Fellowship Convener Tr. Manmohan has led by example. I would like to thank him for being there being there by my side always. Tonight it is my pleasant duty to request Tr. Manmohan to step forward and accept the jewel. I can assure you he will make a great Chairman.

Thanks to one and all for a melodious Tabling year!!!

I will speak in brief lest my misconception becomes a reality.”
